Samling Contributes RM200,000 to 10 Schools in Miri A Chinese New Year 2026 Donation Reinforces Commitment to SDG 4: Quality Education

10 February 2026, Miri, Sarawak — Samling Group contributed RM200,000 to 10 schools in Miri in conjunction with the upcoming Chinese New Year 2026 and the Year of the Horse, reaffirming its long-standing commitment to education and community development. The contribution supports the United Nations Sustainable Development Goal (SDG) 4: Quality Education, reflecting Samling's ongoing efforts to empower young learners and strengthen access to quality education.

Each beneficiary school received RM20,000, with the cheque handover officiated by Samling Chief Executive Officer, Mr. Lawrence Chia Kee Loong [謝其龍], during a donation ceremony held at the Wisma Samling Board Room. The ceremony was also attended by School Board of Directors, principals and teachers from the respective schools.

Speaking at the ceremony, Mr. Lawrence Chia Kee Loong said that this Chinese New Year contribution reflects Samling's long-term commitment to quality education. "Education has always been a key focus of Samling's community engagement efforts. By supporting schools consistently over the years, we are investing in future talents and empowering the next generation with the tools and opportunities they need to thrive and contribute meaningfully to a sustainable Sarawak." he said.

Over the years, Samling has maintained a steady and structured approach to educational support, focusing on schools within its vicinity through regular financial assistance, infrastructure support, and learning environment enhancements. This long-term commitment reflects Samling's belief that meaningful progress in education is achieved through continuity, partnership, and trust — not one-off contributions.

The initiative reflects Samling's belief that sustainability goes beyond environmental responsibility and includes long-term investment in people, education and communities. The contribution also supports the social pillar of Samling's Environmental, Social and Governance (ESG) framework, which aims to strengthening educational facilities, learning environments and opportunities for students.
